

# Read *Psychiatric Services* Online

Activate your online access—It's as easy as 1, 2, 3!

To begin activation, go to [ps.psychiatryonline.org](http://ps.psychiatryonline.org) and click **SUBSCRIBE**

For APA Members and Other Individuals:

1. Click on **ACTIVATE Your Member or Individual (Non-Member) Subscription**
2. Locate your 10-digit Member/Customer Number\* on your journal mailing label above your name. Be sure to enter all 10 digits, including any leading zeros.
3. Enter your number in the box and click **SUBMIT**.

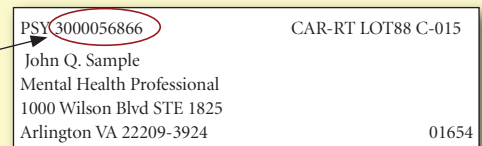

On the next screen, you'll register your subscription and create a username and password that can be used immediately to access your online subscription.

\*If you are an APA Member, in most cases the number on your label will be your Member Number; if it is not, please enter your APA Member Number (with enough leading zeros to create 10 digits) instead of the number on your mailing label.

For Institutions:

1. Click on **ACTIVATE Your Institutional Subscription**.
2. Locate your Customer Number on the journal mailing label above your name. Be sure to enter all 10-digits.
3. Enter your number in the box and click **SUBMIT**.

On the next screens you'll have the opportunity to enter IP addresses for your institution to provide seamless access for your patrons.

## Benefits of Online Activation

**Back issue access to Volume 1, Issue 1**, starting with *Hospital and Community Psychiatry* in 1950. (Available to institutions as a separate one-time purchase.)

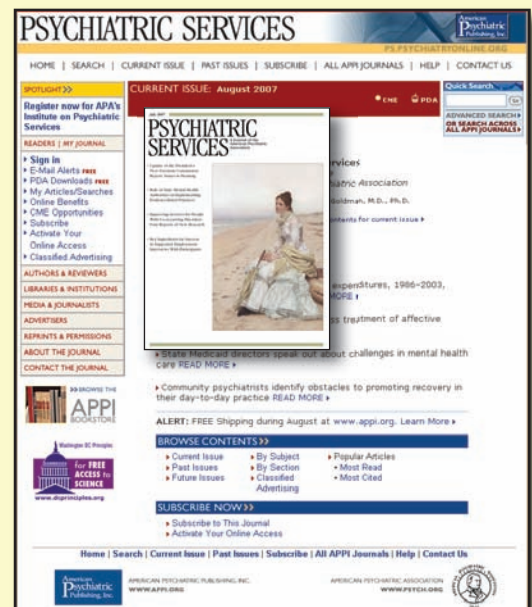

**Ahead of print availability**—online editions are available in advance of the printed journals, giving you first-look access to important studies.

**Precise and powerful searching** by author, keyword, and/or citation details—within any one journal, across the entire PsychiatryOnline journal collection, or across all HighWire journals.

**Free interjournal links from cited references** to the full article text of other HighWire-affiliated journals—free access to the full article even if you don't have a subscription to the cited journal.

**PubMed, CrossRef, and Google Scholar links**—from cited references to abstracts and full text; to similar articles; to other articles by the same lead authors.

**eTOCs**—Email alerts of new and future contents.
