368.5777 x8538; 703.907.8538
Option 5: Journal Subscriptions
Available in print and/or online.

The American Journal of Psychiatry
Official Journal of the American Psychiatric Association
Editor-in-Chief: Robert Freedman, M.D.
The American Journal of Psychiatry is the most widely-read psychiatric journal in the world. Published monthly, it is an indispensable journal for all psychiatrists and other mental health professionals who need to stay on the cutting edge of virtually every aspect of psychiatry. Reviews and overviews help to prepare for recertification and original research provides information on the latest advances in diagnosis, treatment, neuroscience, and patient populations.

CME credit is available with individual subscriptions. Institutional subscriptions do not include CME credit, however institutions can purchase access to CME activities for their patrons. Please contact institutions@psych.org for more information.

Psychiatric Services
A Journal of the American Psychiatric Association
Editor: Howard H. Goldman, M.D., Ph.D.
Psychiatric Services, established in 1950, is published monthly by the American Psychiatric Association. The journal focuses on issues related to the delivery of mental health services, especially for people with severe mental illness in community-based treatment programs. Authors of research reports include psychiatrists, psychologists, pharmacists, drug and alcohol treatment counselors, social workers, nurses, economists, and professionals in related systems, such as welfare and criminal justice systems.

FOCUS
Journal of Lifelong Learning in Psychiatry
Editors: Deborah J. Hales, M.D., and Mark Hyman Rapaport, M.D.
FOCUS is the best system to meet the Maintenance of Certification requirements of the ABPN, self-assessment, Performance in Practice, and lifelong learning. In one subscription FOCUS provides a comprehensive review of current clinical practice based on the content outlined by the ABPN recertification exam. Each issue offers: Clinical Reviews, Patient Management Exercises, and Seminal Articles. Individual purchases of FOCUS subscriptions can earn CME credit.

CME credit is available with individual subscriptions. Institutional subscriptions do not include CME credit, however institutions can purchase access to CME activities for their patrons. Please contact institutions@psych.org for more information.
Psychiatric News
The Official Newspaper of the American Psychiatric Association

Editor-in-Chief: Jeffrey Borenstein, M.D.

Psychiatric News is the “one-stop” source of information for busy psychiatrists and mental health professionals. Each issue covers major news and developments on clinical and research topics that can help inform patient care decisions. Stay updated on related areas—such as federal and state laws and regulations, Medicare and Medicaid, court cases, and health care economics.

Journal of Neuropsychiatry and Clinical Neurosciences
The Official Journal of the American Neuropsychiatric Association

Editor: Stuart C. Yudofsky, M.D.
Deputy Editor: Robert E. Hales, M.D., M.B.A.

The Journal of Neuropsychiatry and Clinical Neurosciences is dedicated to advancing effective diagnosis and treatment options for patients with neuropsychiatric disorders. The journal publishes peer-reviewed articles addressing critical research areas such as Alzheimer’s disease, traumatic brain injury, Parkinson’s disease, epilepsy, and seizure disorders, and is devoted to reporting discoveries in clinical neuroscience that are relevant to understanding the brain-based disorders of patients.

Option 6: Psychiatry Legacy Collection

The Psychiatry Legacy Collection covers 152 years of psychiatry through three respected, peer-reviewed psychiatry journals back to Volume 1, Issue 1.

Collection includes:

The Psychiatry Legacy Collection is available at a one-time only purchase rate for perpetual access. Partnered with a subscription to the current volume, it allows today’s research and clinical practice to be placed within the context of the history of psychiatry.
