

As an APA author/editor you are entitled to:

- 50% off books with your name on the cover
- 20% off any other APA books
All titles you purchase at a discount are, however, solely for personal use. They should not be purchased on behalf of an institution or for resale.

The 50% Author discount applies only to authors whose name appears on the cover of the book. This discount cannot be used for APA journals, publications by other publishers that APA distributes, or CD-ROM or video products (unless your name is on the cover). The discount becomes effective as soon as your book appears in print.
