

## Comparison of Diagnostic Coverage of the SCID-5-RV vs. SCID-5-CT

SCID-5-RV	SCID-5-CT
<p align="center"><b>SCID-5-RV (Research Version)</b> Including Optional Disorders which are noted in bold italics. Assessment timeframes are lifetime, unless otherwise noted.</p>	<p align="center"><b>SCID-5-CT (Clinical Trials version)</b> Customized for Typical Schizophrenia Protocol</p> <p>Note: Diagnostic coverage of the SCID-5-CT varies by protocol. The SCID-5-CT can be customized to include the specific inclusion/exclusion criteria for any study. Parenthesized phrases below indicate relationship to inclusion/exclusion criteria of a typical Schizophrenia protocol.</p>
<p><b>Module A: Mood Episodes, Cyclothymic Disorder, Persistent Depressive Disorder, and Premenstrual Dysphoric Disorder</b></p> <p>Major Depressive Episode (current and past) Manic Episode (current and Past) Hypomanic Episode (current and Past) Cyclothymic Disorder (current only) Persistent Depressive Disorder (formerly Dysthymic Disorder) (current and past) Premenstrual Dysphoric Disorder (current only) Bipolar Disorder Due to Another Medical Condition (AMC) Substance/Medication-Induced Bipolar Disorder Depressive Disorder Due to AMC Substance/Medication-Induced Depressive Disorder</p>	<p>Lifetime Major Depressive Episode (<i>including percentage of time that criteria have been met for MDE since onset of psychotic disorder, needed to rule out Schizoaffective Disorder</i>)</p> <p>Lifetime Manic Episode (<i>including percentage of time that criteria have been met for Manic Episode since onset of psychotic disorder, needed to rule out Schizoaffective Disorder</i>)</p>
<p><b>Module B: Psychotic and Associated Symptoms</b></p> <p>Delusions Hallucinations Disorganized Speech and Behavior Catatonic Behavior Negative Symptoms</p>	<p>Delusions Hallucinations Disorganized Speech and Behavior Catatonic Behavior Negative Symptoms</p>
<p><b>Module C: Differential Diagnosis of Psychotic Disorders</b></p> <p>Schizophrenia Schizophreniform Disorder Schizoaffective Disorder Delusional Disorder Brief Psychotic Disorder Psychotic Disorder Due to AMC Substance/Medication-Induced Psychotic Disorder Other Specified Psychotic Disorder</p>	<p>Schizophrenia (<i>included in study</i>) Schizophreniform Disorder (<i>excluded from study</i>) Schizoaffective Disorder (<i>excluded from study</i>) Delusional Disorder (<i>excluded from study</i>) Brief Psychotic Disorder (<i>excluded from study</i>) Psychotic Disorder Due to AMC (<i>excluded from study</i>) Substance/Medication-Induced Psychotic Disorder (<i>excluded from study</i>) Other Specified Psychotic Disorder (<i>excluded from study</i>)</p>

<p><b>Module D: Differential Diagnosis of Mood Disorders</b></p> <p>Bipolar I Disorder  Bipolar II Disorder  Other Specified Bipolar Disorder  Major Depressive Disorder  Other Specified Depressive Disorder</p>	
<p><b>Module E: Substance Use Disorders</b> (two timeframes: past 12 months, prior to past 12 months)</p> <p>Alcohol Use Disorder  Cannabis Use Disorder  Inhalant Use Disorder  Other Hallucinogen Use Disorder  Opioid Use Disorder  Phencyclidine Use Disorder  Sedative/Hypnotic/Anxiolytic Use Disorder  Stimulant Use Disorder  Other or Unknown Substance Use Disorder</p>	<p>Alcohol Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Cannabis Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Inhalant Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Other Hallucinogen Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Opioid Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Phencyclidine Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Sedative/Hypnotic/Anxiolytic Use Disorder  Stimulant Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)  Other or Unknown Substance Use Disorder (<i>excluded from study if moderate or severe for past 6 months</i>)</p>
<p><b>Module F: Anxiety Disorders</b></p> <p>Panic Disorder  Agoraphobia  Social Anxiety Disorder  Specific Phobia  Generalized Anxiety Disorder  <b>Separation Anxiety Disorder (optional) (current only)</b>  Anxiety Disorder Due to AMC  Substance/Medication-Induced Anxiety Disorder  Other Specified Anxiety Disorder</p>	<p><b>Screening Questions for Other Current Disorders</b></p> <p>Panic Disorder (<i>excluded if a focus of treatment in past 6 months</i>)  Agoraphobia (<i>excluded if a focus of treatment in past 6 months</i>)  Social Anxiety Disorder (<i>excluded if a focus of treatment in past 6 months</i>)  Generalized Anxiety Disorder (<i>excluded if a focus of treatment in past 6 months</i>)  Obsessive-Compulsive Disorder (<i>excluded if a focus of treatment in past 6 months</i>)  Anorexia Nervosa (<i>excluded if a focus of treatment in past 6 months</i>)  Bulimia Nervosa (<i>excluded if a focus of treatment in past 6 months</i>)  Binge-Eating Disorder (<i>excluded if a focus of treatment in past 6 months</i>)  Posttraumatic Stress Disorder (<i>excluded if a focus of treatment in past 6 months</i>)</p>
<p><b>Module G. Obsessive-Compulsive and Related Disorders</b></p> <p>Obsessive-Compulsive Disorder  <b>Hoarding Disorder (optional)</b>  <b>Body Dysmorphic Disorder (optional)</b>  <b>Trichotillomania (Hair-pulling Disorder) (optional)</b>  <b>Excoriation (Skin-picking) Disorder (optional)</b>  OC and Related Disorder Due to AMC  Substance/Medication-Induced Obsessive-Compulsive and Related Disorder  Other Specified Obsessive-Compulsive and Related Disorder</p>	

<p><b><u>Module H: Sleep Disorders</u></b></p> <p><i>Insomnia Disorder (optional)(current only)</i>  <i>Hypersomnolence Disorder (optional)(current only)</i>  <i>Substance/Medication-induced Sleep Disorder (optional)(current only)</i></p>	
<p><b><u>Module I: Feeding and Eating Disorders</u></b></p> <p>Anorexia Nervosa  Bulimia Nervosa  Binge-Eating Disorder  <i>Avoidant/Restrictive Food Intake Disorder (optional)(current only)</i>  Other Specified Feeding or Eating Disorder</p>	
<p><b><u>Module J: Somatic Symptom and Related Disorders</u></b></p> <p><i>Somatic Symptom Disorder (optional)(current only)</i>  <i>Illness Anxiety Disorder (optional)(current only)</i></p>	
<p><b><u>Module K. Externalizing Disorders</u></b></p> <p>Attention-Deficit/Hyperactivity Disorder (current only)  <i>Intermittent Explosive Disorder (optional)(current only)</i>  <i>Gambling Disorder (optional)(current only)</i></p>	
<p><b><u>Module L. Trauma- and Stressor-related Disorders</u></b></p> <p>Acute Stress Disorder (current only)  Posttraumatic Stress Disorder  Adjustment Disorder (current only)  Other Specified Trauma- and Stressor-Related Disorder</p>
