embargo basis. Thus, if Licensee does not renew after December, journal content from the previous 12 months and going back to January 1997 may be available to Licensee. - h. Export Compliance: Licensee may not export or re-export, directly or indirectly, any materials or information provided by APA, including the PsychiatryOnline content, to any location or in any manner that requires an export license or other governmental approval at the time of export without first obtaining such license or approval. Although it seeks to ensure the accuracy of content posted online, APA DOES NOT WARRANT OR GUARANTEE ITS ACCURACY, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

Neither APA nor the Licensee shall be liable for any indirect, special, incidental, punitive, or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the Authorized Use of or the inability to use the PsychiatryOnline content.

9. INDEMNITIES
